

Bardessono Hotel & Spa Fact Sheet

A Way of Life

Nestled in the heart of Yountville, Bardessono takes pride in offering a mindful approach to living the good life. "Deep green" with luxury, a subtle aesthetic, privacy and graciousness, Bardessono models hospitality with enduring expressions of land and family that fostered and sustained the original Bardessono family farmstead.

Land History & Design

Situated among its own vineyard, steps from the hub of Yountville, Bardessono is nearby more than 400 wineries in the 30-mile-long Napa Valley. When the Bardessono family first arrived from Italy to the U.S. in 1926, specifically to the Bay Area, they discovered the land that was to become their homestead and later as Bardessono. The property was partially planted, and the family continued to add crops of grapes, prunes and walnuts for commercial sale. The family farmed the property together, maintaining a large vegetable garden and tending to a variety of farm animals, forming the basis of the agrarian philosophy that Lucy restaurant operates around today.

In 1989, a large portion of the original 20 acres were sold to make way for what is known as "Heritage Estates," a forty-two-unit single family residential property. Five acres remain in the Bardessono Brothers' ownership, now the site of Bardessono Hotel & Spa.
